Big on space, people and events

Procedures for BC Sportsmen's Show Exhibitors:

Exhibitors and visitors to Tradex will be able to purchase their parking requirements, through any one of numerous pay stations located on site with Credit Card or Cash (inside only). Payment processing will require that you enter your vehicle's license plate parked at Tradex. Once the parking ticket has been purchased, you do not need to display it in your vehicle; simply keep it as your receipt. This payment allows in-and-out privileges for the full day of parking you purchased since it is associated with your vehicle's license plate, which is registered in West Park's system as paid.

You may purchase up to 1 month in advance. You will need to know your license plate number. If you are purchasing multiple passes and not have access to all the plate numbers please email guestservices@westpark.com or call 604.669.7275.

You can also pay by phone, using the PayByPhone Parking App.
